HAMPDEN COUNTY REGISTRY OF DEEDS

Since the abolishment of the County Commissioners Office in 1998, the Hampden County Registry of Deeds produces and annually updates the **Officers of Hampden County** booklet.

Each day the Registry of Deeds staff receives numerous requests from the public, for the information contained in this booklet. We offer you this 2023 update to serve the needs of Hampden County residents.

On the following pages, you will find the names of the elected officials in each of the 23 cities and towns of Hampden County. You will also find information about our state, county, and local government.

I would like to thank all the officials who helped us compile this body of information for the public.

A SPECIAL THANK YOU TO:

William Francis Galvin, Secretary of State

FOR HIS SUPPORT AND GUIDANCE
