Valentine Card History

Valentine continued from page 1

home on Summer Street. Esther set up an assembly line workshop where the employees copied her designs and made the cards. Esther Howland also provided the workers the opportunity to work from home. She prepared work boxes

that were delivered and picked up by a driver weekly from the home of each remote worker.

Esther incorporated her business in 1870 as the New England Valentine Company. What are the 7 days of February that build-up to Valentine's Day? - Rose Day, Propose Day, Chocolate Day, Teddy Day, Promise Day, Kiss Day, and Hug Day and then finally – Valentine's Day! Cel-

ebrated on February 7, Rose Day marks the start. Okay honestly, when I stumbled across this idea of 7 days, I laughed and thought am I entering a Hallmark world, alas, my internet search found several resources out-

lining this WEEK of demonstrating love. I would be remiss to omit what is the opposite of Valentine's Day/Week, referred to as Slap

Day which is the 15th of February. The antiv Valentine week starts with Slap Day, which is celebrated every year on the 15th of February. Well, guess what? All you poor, heartbroken souls out there, this is the golden opportunity for you to give your ex a fun, tight slap. Why is Cupid an endearing

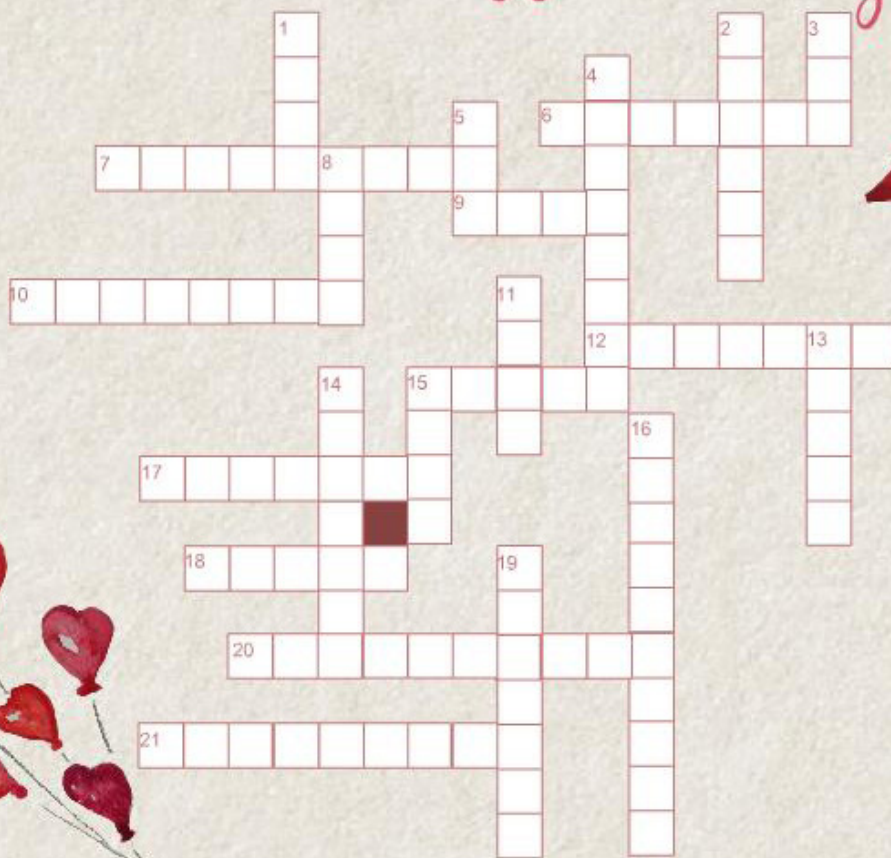

symbol of Valentine's Day? In mythology, Cupid is the god of desire, love and affection, son of the goddess of love, Venus and the god of war, Mars. Cupid is often portrayed as a naked winged youth with a bow and arrow.

He draws his bow and arrow to inspire romantic love and passion, thus becoming an icon of Valentine's Day along with the classic red hearts and red roses.
